## **RealDealCares Scholarship**

*Theme: "Be the change that you wish to see in the world." - Mahatma Gandhi*

**Purpose:** To provide a one-time award of a laptop to at least (1) eligible graduating high school senior that is pursuing higher education at a 2 year college or 4 year university.

### **Award:**

Laptop – This laptop is being supplied to a deserving student so that they may be able to be successful in their studies in college. The student is encouraged to use the laptop as a tool for not only their studies, but to also explore, discover and create.

### **Eligibility:**

- Graduating High School Senior
- Must be enrolled at a 2 year college or 4 year university for the Fall 2019 semester
- Must not currently own or possess a laptop

### **Demonstration:**

Our theme is "Be the change that you wish to see in the world" and we are challenging students to do just that. Students must do something that impacts the world or their community and it must be documented for the scholarship committee to review. Our advice for students is to go big, make an impact and leave a legacy! The only limitation is that the deed must be legal and permission should be granted.

- Students should be creative in developing concepts for their demonstration.
- Things that the student should consider are "What does my community need?" "Are there any issues that should be addressed?"

Documentation is needed to verify the work/action that took place. The student is welcome to be creative in how they conduct the documentation. This is not limited to pictures, presentations, videos, letters from a witness and etc.
